Dr Deepak Kuvelkar

Dear fellow IMA Members,
Greetings from IMA Mormugao Branch.

We the members of IMA Mormugao Branch take immense pleasure in inviting you for the Annual IMA Goa State Conference, XXXI GIMACON 2019 to be held on 28th and 29th of Sept 2019.

In keeping with the originality of GIMACON which was started 30 years back with the intention of mixing business with pleasure, i.e. having a great academic/ scientific event and at the same time catching up with old friends and families, we at IMA Mormugao plan to make a comeback by hosting GIMACON 2019 at the exotic location of "Holiday Inn" Cavellolim beach, Goa.

We plan to make it a memorable event and have planned scientific extravaganza over the weekend, with lectures being focused on simple day to day practice of general practitioners as well as specialists.

In order to minimize the fatigue component associated with crammed programme for 2 days, we have worked out a concessional package for those families who would like to extend their stay at the hotel 1 day prior to the conference. This will enable you to spend some quality time with your families. And those who do plan to stay on the previous day(27-09-2019), we also offer complimentary free registration to the preconference workshop.

All the efforts put in by the organizing committee will be worthwhile only with support and active participation from all the members. So join us to make this annual mega event a grand success.

Looking forward to seeing you in large numbers at GIMACON 2019.
